

Background

The 2024 WSC mid year voting was not successful because some Delegates were not available to vote.

Body

The process the WSC planning committee will use should a mid-year vote be necessary.

- 1) Current delegates will be contacted via email and asked to register for the vote.
- 2) Failure to register for the vote will be an automatic withdrawal from said vote.
- 3) The delegate will be sent the proposal and given a deadline to vote.
- 4) The delegate will bring the vote to their meeting.
- 5) The delegate will submit their vote and comments by the deadline.
- 6) Within two weeks the delegates will be notified as to the outcome of the vote.
- 7) The vote will be announced at the next GAC monthly meeting after the delegates are notified.
- 8) Substantial unanimity will be recalculated based on the number of registered delegates for the vote.

Proposal

The WSC planning committee proposes the procedure listed will be used if a mid year vote is necessary.
